

Membership Renewals Notice

Dear Member

Membership renewals are due on 1st January 2011. Therefore, we plan to go through the same process as we did last year for collecting member renewal subscriptions.

Good news is that there will be no increases to the membership fees.

All members currently paying a monthly fee do not need to take any action as monthly payments will continue to be collected into next year. Please note records will be checked in December 2010 and January 2011 to make sure all monthly payments are being collected correctly.

All yearly paying members are asked once again to submit cheques post dated for 1st January 2011 by December 24th. These cheques will then be presented to the bank on Tuesday 4th January 2011.

All members that paid a yearly standing order will be asked to check that their payments are still going through. If this is not the case a new standing order form will need to be completed or a post dated cheque will be required.

Please note membership renewals will not be taken in January 2011 and all current club members need to have made payment by the end of December in the form of the following:

Post dated Cheque:	1st January 2011
Yearly standing order form:	4th January 2011
A Current Standing order form:	No action required
A new monthly standing order form set up:	4th January 2011
